SNOWFLAKES**
(Haebich)
These 10 patterns are inspired by actual micro-photography of nature. Unlike actual snowflakes, these projects won't melt when you touch them. For maximum sparkle, it is

suggested that these snowflakes be constructed with a variety of textures of clear glass, but you can also use pale cathedral colors or some brightly colored glass if you want a more contemporary (albeit surreal) look. Intermediate. \$14.95

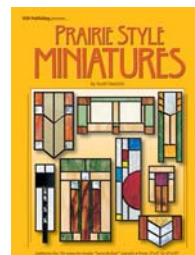

**#B36-2010
LAMPS FOR ALL
SEASONS 2010**
The Association of Stained Glass Lamp Artists was formed in 1991 to perpetuate, improve and promote the art of stained glass lamp construction. In its eighteenth year this

calendar was conceived by Carol Conti to demonstrate the artwork of the association members. In addition to the wonderful Tiffany-inspired lamps, there are many original creations in a variety of design styles. \$12.95

LAMPS FOR ALL SEASONS
2011**

The Association of Stained Glass Lamp Artists was formed in 1991 to perpetuate, improve and promote the art of stained glass lamp construction. In its 19th year this edition features page after page of hand-made lamps

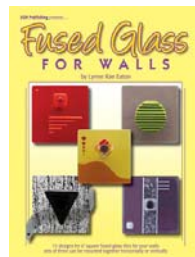

created by the members of the Association of Stained Glass Lamp Artists. This calendar is a wonderful testament to the beauty and timeliness of stained glass. Also included are bonus pages featuring additional lamps and a magnificent stained glass quilt. \$12.95

**#B316-55
DANCE OF LIFE**

(Sheppard)
Jody Sheppard tries to express the language of dance through her patterns for stained glass in *The Dance of Life*. Although a dance disappears when it is finished, some performances are so memorable that the dancer and the interpretation is

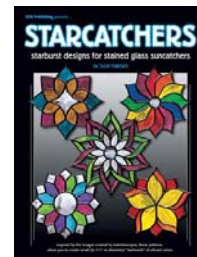

never forgotten. Jody tries to capture these moments in her 19 evocative glass panels. Crafters will have fun recreating the ballet, the waltz, the cha cha, a pas de deux or scenes from a dance class, as well as many other historical & contemporary dance styles from around the globe. Intermediate to Advanced. \$15.95

**#B316-56
FUSED GLASS FOR
WALLS**

(Eaton)
If you're running out of window space for your art glass creations these contemporary designs for 15 fused tiles are what you need to decorate your walls. Each

tile is only 6"x6" so you can create them in even a very small kiln. They are intended to be created in sets of three (or more) & then mounted, so that they "float" an inch or so in front of your wall. You can display the tile sets horizontally or vertically, or use them individually to liven up a small nook or cranny. Beginner to Intermediate. \$15.95

**#B316-57
STARCATCHERS**

(Haebich)
Smaller "suncatcher size" versions of the kaleidoscopic images from "STARBURSTS". This book contains 20 full-size starburst patterns that are only 6" to 7.5" in diameter. You can use any combination of your

favorite glass colors and textures in these easy-to-create window hangings. Rather than filling up a window with one large Starburst, you can hang several of these smaller "Starcatchers" to liven up a room. They also make great gift items. Beginner to Intermediate. \$15.95
